ピーター・フラハティ

概要・Course Description

This is a “Task Based” course in practical English. The purpose of the course is to become fluent in English speaking to the intermediate level. Communication ability will improve by engaging in realistic tasks that add authenticity and interest. The students will perform these tasks by working together in small groups in a series of practical activities.

授業計画・Lesson Schedule

テ ー マ・Theme	内 容・Content
1. <i>Orientation</i>	Explanation of the whole course
2. <i>You're Hired!</i>	Learn about Widgets Incorporated
3. <i>A Personal Matter</i>	Asking appropriate and inappropriate questions
4. <i>That's My Department</i>	Describe your own character and preferences
5. <i>Eureka!</i>	Discuss characteristics of good and bad leaders
6. <i>Sell, Sell, Sell!</i>	Describe products, brainstorming problems
7. <i>On the Drawing Board</i>	The pros and cons of a proposal, choosing the best
8. <i>The Big Idea</i>	Write an official proposal for a product
9. <i>Decisions, Decisions</i>	Learn new assignment, think about daily decisions
10. <i>The Choice Is Yours</i>	Reaching a team consensus, disagreeing politely
11. <i>In The Crossfire</i>	Judge a debate, reach a decision on the best
12. <i>Get Ready</i>	Prepare a clear poster, rehearse presentation
13. <i>Explain Yourself</i>	Conduct a poster presentation, answer questions
14. <i>How Have We Done?</i>	Review semester performance, self-evaluation
15. Examination	End-of-term test

授業方法・Class Procedure

Students will work in teams to complete specific tasks and present the results in English.

評価方法・Grades and Credits

Final grades will be based on class participation, language ability, task completion and end-of-term test results. If necessary, a make-up test will be given once.
