1年 後期 2単位 必修

ピーター・フラハティ

概要・Course Description

This is a “Task Based” course in practical English. The purpose of the course is to build on the skills mastered previously and become fluent in English to the upper intermediate level. Engaging in realistic tasks will add authenticity and interest to learning. Students are expected to become self-confident in speaking English and active contributors to task activities within their teams.

授業計画・Lesson Schedule

テーマ・Theme	内 容・Content
1. <i>Where Are We ?</i>	Review work so far at Widgets Incorporated
