【概要】

As citizens of the world, it is important to have experience of different cultures in order to understand the range of perspectives and experiences that are possible outside one's own backyard. To be of service to our fellow humans, we must be able to communicate across cultures. Though you have studied English for six or more years, most of you have probably not used English very often. In Freshman English, we will focus on communicating naturally and effectively in English. You will gain the knowledge, skills and training that will help you to grow in your English language ability—both in and out of the classroom—for the rest of your life. Group work activities will give you the chance to help each other improve in English and also give you the chance to get to know each other better. You will have to think deeply and challenge your own ideas, and you may come to understand your own culture better through your experience of the cultural features of another language.

国際社会の一員として貢献できるようになるには、広い視野を持って他の国々に生きる人たちの見解や経験を理解し、異文化の壁を超えて意思伝達することが必須です。みなさんの多くは英語の学習経験は豊富でも実践経験はないことでしょう。英語 I ではコミュニケーション能力の育成に重点を置き、実践的なグループ活動を通じて英語力向上を目指します。

【教科書・教材】

There is no textbook for this class. Materials will be provided by the teacher, and students will need an A4 folder to keep all handouts in order. In addition, many class assignments will be done on the computer, through moodle.

教材は教員が準備する。各自A4フォルダを準備し、配布資料・課題を保存する。また、課題の多くはコンピュータを使用する。

【履修上の注意】

Lateness: If you arrive after the start of the lesson, you are late. If you come to class late (up to 20 minutes) three times, it counts as one absence. If you are more than 20 minutes late, then you will be marked absent.

Attendance: If you miss more than one third of our classes (about 10 classes), you will fail the semester and have to repeat it. Please don't feel that you are safe if you miss only 3 or 4 classes. You could still easily fail because of all the work you would have missed. Missing many classes will also lower your participation grade.

When you are absent you must contact your classmates and find out about the class work and homework so that you can do it before you return to class.

It is important to remember that the end of a class activity is the beginning of opportunity for real English practice with classmates.

遅刻：授業開始後20分以内の遅刻は3回で1回の欠席とする。

出席：3分の1以上の欠席は単位を認めない。評価は授業中の活動・課題を基準にする。
